BELIEVE IN JESUS prayer

Dear God, I believe that You love me and sent Jesus for me to save me from my sins to live for You. I believe that I am a sinner, separated by my sins from You and unable to live for You. I believe that Jesus died to save me from my sins, and You raised Him from the dead for me to live for You.

According to Your Word, with all my heart, I say openly that I believe in Jesus to be saved from my sins to live for You. Thank you, God, for saving me from my sins to live for You because I now believe in Jesus. Amen.
